

WATER TREATMENT

WHY HALPIN & HAYWARD?

Halpin & Hayward have been providing industrial, institutional and commercial water treatment solutions in Ireland for over 60 years. We are a 3rd generation family owned and operated business. Based in Dublin with representatives nationwide Halpin & Hayward are well positioned to provide excellent coverage and service. Our key strength and best assets include our highly trained operatives who specialise in water-related and process chemical solutions and work with clients to optimise their operations. We are distributors for world leading water treatment chemicals and equipment.
